HAUS BY GOMECO

WELCOME HAUS BY GOMECO

ABOUT US

Founded in 1976, GOMECO, is one of the leading companies in the Philippines, manufacturing commercial kitchen and architectural metals, which are endorsed by international consultants in the foodservice and construction industry. With our mission to transform the lifestyle of every Filipino, we have never stopped in improving our services that are economical and socially responsive to the needs of Filipino. We do that by creating high-quality products, by diversifying our services, and by collaborating with leading international brands.

As an exclusive distributor of HAUS Philippines, we offer home and kitchen appliances, which positively impacts the health and wellness of every Filipino people.

Until now, we continue to innovate and find ways to create a positive impact on the economy and communities.

OUR TEAM

Our team is composed of hardworking experts who are passion-driven that aim to give excellent service to our clients. We are guided by our company core values such as Integrity, Honesty, Loyalty and having the Heart of a Champion.

WHAT DO WE DO

We have been provider of home and kitchen equipment for four decades to Restaurants, Bakery, Hotels, Condominiums, and other segments of the Hospitality Industry. With our HAUS products, we have expanded to shower enclosures, modular cabinets for kitchen, bath and wardrobes for the bedrooms. Our clients' dream of having a beautiful and comfortable space drives us to constantly innovate and expand our market offering with affordable products of the best quality.
